Petrol Bunks closed tomorrow

Mysuru, May 13 (NNN)- Petrol bunks across nearly 13 States in the country will be closed every Sunday starting tomorrow in protest against the oil companies 'failing to fulfil the demands of Petroleum dealers.'

Speaking to *Star of Mysore*, here this morning, Shashikala Nagaraj, President of Federation of Mysore Petroleum Traders, said that all bunks in the city will be closed tomorrow as announced earlier, declaring Sunday as a holiday. "In no other business money is paid in advance to collect the commodity. We pay on an average Rs. 8.50 lakh in the form of DD to purchase petrol," she said.

Shashikala

The petroleum dealers are facing numerous problems but the public is unaware as the bunks are always working, she said.

"In fact, the big three oil companies — IOC, BP and HP — which supply petrol to us tell us that it is because of the dealers that the officials could have their bread and butter. When such is the scenario, they are not willing to increase the commission which is now just over Rs. 2 (there was a time when we were getting a measly Re. 0.80)", said Shashikala Nagaraj.

Associations divided

Meanwhile, two main Associations — Consortium of Indian Petroleum Dealers (CIPD) and All India Petroleum Dealers Association (AIPDA) — are working at crosspurposes. While, CIPD has called for closure on Sundays, the AIPDA has not called for the same.

District SSLC topper

G.M. Sudeep of Marimallappa High School, who emerged as the topper for Mysuru district by securing 623 out of 625 marks in the SSLC exam, being congratulated by Head Mistress Mangala Muddumadappa as his parents G.B. Mahesh and Mahadevamma look on. *[See report on page 14]*

Rs. 7.5 crore ATM cash theft

Special Police team in Mysuru to nab accused

Bheemaiah *Basappa* *Karibasappa* *Parashuram* *Poovanna*

Mysuru, May 13 (RK&BCT)- A special investigation team has spread a dragnet in Mysuru district to nab the four persons who made away with Rs. 7.5 crore ATM cash that was supposed to be carried to Bengaluru from Mangaluru.

In a case that reminds of an incident that occurred in November 2016 when ATM vehicle driver in Bengaluru Dominic Selvaraj fled with Rs. 92 lakh meant for an ATM, four employees from a cash transfer agency in Mangaluru made away with Rs. 7.5 crore from Axis Bank on Thursday. They were to carry it from Yeyyadi to the bank's Koramangala branch in Bengaluru.

On Thursday morning, driver Karibasappa, custodian Parashuram and gunmen T.A. Poovanna and T.P. Basappa of the firm arrived in a vehicle at the Yeyyadi branch at around 8.30 a.m. They left the branch with the money and also the authorisation letter of Yeyyadi branch manager Ranjit to take the money to Koramangala branch.

Sachin, in-charge of SIS Prosegur, Mangaluru branch, in his complaint, said the four personnel had failed to take the money to Koramangala or return it to the Yeyyadi branch. He accused the four of criminal breach of trust and cheating.

Government enacts, people react: The game goes on

Global rating agencies, keenly watching the goings on in countries across the world and more so the performance of the respective governments as a regulator resorting to enacting laws, ostensibly to keep the citizens on track, have been placing India near the bottom of the scale worked out on the basis of different sets of parameters and indices marked by professionalism. One such rating relates to the *status of health* (or ill-health) of the people at large in their well-marked territories. One is constrained to remark that while the agencies continue to publish their findings, perhaps free from bias of any kind, the authorities both in the land's Central Government and their counterpart in the States as well as Union Territories give the impression comparable to the proverbial buffalo soaking in slush unfazed by being hit by the falling coconut tree frond with no sign of moving to another location.

Even as the media is faithfully and regularly informing the country's diaspora with data and related detailed information about the disease burden they are carrying, thanks to the umpteen factors, including ignorance and callousness, India continues to host a population reeling under the different all-too-familiar major afflictions, diabetes, cancer, heart ailments, TB, Malaria and Blindness being the more obvious ones.

With a majority in the country's population having no access to timely and appropriate medicare, for reasons not necessary to be mentioned explicitly, the *gap* between the quantity of resources being pumped in by the Government into the health sector and the inputs needed to improve India's global rating on health front is yawning year on year, as reflected by the very low budgetary provision as a ratio of the nation's GDP. The little-known fact that India is reportedly the world's biggest vaccine producing country is mocked at by unabated number of people in vulnerable sections suffering from vaccine-preventable diseases. Mysuru district authorities of the health department are learnt to have taken an initiative on identifying risk areas in the region for such ailments.

Affordability of medicare being the ruling factor in respect of a significant proportion of the country's population, the just-decided Union Government's measure of pushing doctors to prescribe generic drugs, being less costly, may partly address healthcare issues. The glitch in the measure seeing the light of the day is that while the government has *enacted*, the doctor fraternity have *reacted* adversely for many reasons that are hard to be questioned.

EDITOR'S BOTTOMLINE

In all my references to Pakistan, I have said we must stand by the government. It is our duty and obligation that the nation remains united and speaks in one voice. But frankly, how long can we keep our eyes shut and not cry out in pain about what is going on — the repeated casualties and no explanations? What happened to all those promises of we will fix them, show them what India is... *There are no easy answers, but you can't show you are weak as far as your military preparedness is concerned.*

WHAT ABOUT DIALOGUE? ***Let them say that dialogue will never be resumed. You start it, one day you stop it. Nowhere in the world does conflict end without dialogue. To hold out a promise that there won't be a dialogue is silly. There will be dialogue at an appropriate time and under appropriate conditions after we have no reason to feel a sense of weakness.*** *Casualties must stop, that is the first priority and it won't stop by begging Pakistan to stop it. We must have the strength to stop it.*

— Former Foreign Minister Salman Khurshid in The Hindu.

NEWS SPARKLERS

Intricately "Tattooed" Fish

Manila: Pilippines that appears to have its skin covered with artistic tattoo-like markings has sparked quite a debate on social media, with people offering the most outrageous explanations for the intricate design.

The fish was caught by fishermen in the province of Lopez Jaena, Misamis Occidental, who immediately noticed that much of its skin was marked by artistic designs, including some letters and intertwining plant leaves.

The unusual "tattoo" is undoubtedly of human origin, but how it ended up on a wild fish is still a mystery. However, the thousands of people commenting on the photos posted by Philippines news network GMA News were more than willing to voice their opinions. Surprisingly, none of the comments social site asked the obvious question – are these photos the work of Photoshop? Like the fish, that remains a mystery.

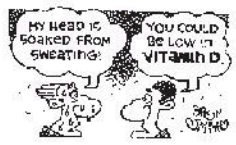
Testing Human Limit

Beijing: For years, experts have suggested that 50,000 volts of static electricity is the highest threshold that the human body can withstand, but one Chinese scientist recently proved them wrong by passing 71,000 volts through his body and living to tell the tale.

Liu Shangshe, an academic at the Chinese Academy of Engineering, in Beijing, recently took a very hands-on approach to testing the human threshold for static electricity. In a controversial experiment to determine how much static electricity the human body can withstand, the Chinese researcher passed 71,000 volts of static electricity through his own body. According to Chinese media, Shangshe's assistants started at 20,000 volts, causing all the hair on his body to stand on end with every discharge. Liu Shangshe is considered an expert on electrostatic safety, with over 50 years of scientific experience under his belt. He apparently switched his research to static safety in 1983, after learning how many people died from electric shocks every year. Constantly in search of scientific answers, Liu has never been afraid to risk his life while performing research.

HEALTH CAPSULE
by Bron Smith

How common is Vitamin D deficiency?



A National Health and Nutrition survey revealed that 50% of children aged 1-5 are Vitamin D deficient, and 70% of children aged 6-11 are deficient. Researchers estimate that 50% of the American population is at risk for vitamin D deficiency.

** Health Capsules is not intended to be of a diagnostic nature.*

YouTube artiste to perform at 'gra(VVIE)ty' tomorrow

Shirley Setia

Mysuru, May 13 (RS) -Vidya Vikas Institute of Engineering and Technology (VVIET), Alanahalli, has organised a two-day annual cultural fest 'graVVIEty' at its premises today and tomorrow. Various cultural programmes will be held with the theme 'Vistara.'

This evening, SaReGaMaPa Season-11 winner Channappa, Aishwarya Rangarajan and SaReGaMaPa Little Champ Season-12 runner up Shreekhar will perform along with William Druth Music.

On May 14 evening, Shirley Setia, YouTube cover artiste will perform. Shirley Setia is an Indo-Kiwi (New Zealand) singer who became a YouTube sensation through her music videos.

For details, contact Mob: 73539-34980 or 89711-22082, according to a press release.

Papers invited on "Robotics, Automation, Control and Embedded Systems"

Mysuru, May 13-The Department of Instrumentation Technology, GSSS Institute of Engineering and Technology for Women, Mysuru, has organised a National conference on "Robotics, Automation, Control and Embedded Systems (NCRACES-2017)" on May 22.

The objective of this conference is to bring together students and research scholars to exchange and share their experiences and research results about various aspects of Robotics and Embedded Systems.

Papers are invited in the areas of Robotics and Automation, Image Processing and Applications, Ultrasonic Signal Processing and Applications, Robotic Remote Sensing Applications, Biomedical and Rehabilitation Engineering, Mobile Robots and Autonomous Systems, Audio / Speech Processing and Coding, Power Plant automation, Control Systems Artificial Intelligence and Intelligent, Neuro-fuzzy Control applications and Mechatronics.

Faculty members, UG and PG students from engineering colleges may submit their research work/project work/ survey papers in relevant fields. Selected papers will be published in International Journal of Computer Applications (IJCA) or Journal of Instrument Society of India (ISOI).Those interested may contact Ph: 0821-4257304 or Mob: 9449203599, 7204074042.

LAUGHTER THE BEST MEDICINE

Nasruddin had turned 99 and a reporter from a local newspaper came to interview him because he was the oldest man in the Valley. After the interview the reporter said, *"I hope I will be able to come next year also when you have attained 100 years. I hope I will be able to come."*
Nasruddin looked at the man wide-eyed and said, *"Why not, young fellow? You look healthy enough to me!!"*

NEWS BRIEFS

Zoo open on Tuesday

On account of Summer holidays, Sri Chamarajendra Zoological Gardens (Mysore Zoo) and Karanji Lake Nature Park will be kept open for public Tuesday (May 16), according to a press release from the Zoo Executive Director.

Valedictory

The valedictory of 'Chinnara Kalaloka,' a children's summer camp organised by the city's Master N' Blaster dance group of Kaladhare Cultural Trust will be held at Ganbharathi, Veene Seshanna Bhavan, Adichunchanagiri Road, Kuvempunagar, today at 6 pm. K.R. MLA M.K. Somashekar will inaugurate the programme. For details, contact Mob: 98807-77121.

May Day contest

As part of May Day celebrations, the Indian People Theatre Association (IPTA), in association with Labour Welfare Board and AITUC - Mysuru District Unit, has organised cultural contests for workers and their family members at K.V. Bhavan, 2nd Main Road, (Kamakshi Hospital Road), Saraswathipuram, tomorrow (May 14) at 10.30 am. Entry is free. Those interested in taking part, can make spot registration. For details, contact Mob: 98447-61376 or 98808-02246.

Vasantha Shikshana

The Dasa Sahitya Project will be organising a three-day Vasantha Shikshana programme for all Bhajana Mandalis of Mysuru and Mandya districts from May 14 to 16 at Raghavendra Swamy Temple in Jayalakshmipuram. For details, call: 94832-86641 / 94491-50641.

Upanayana

A total of seven children — 4 girls and 3 boys — will be administered Upanayana Samskara as per Vedic rituals at a programme organised under the aegis of the city's Arya Samaj at Sri Bhavani Shankar Temple premises in Hebbal Industrial Area (opposite HUL) tomorrow (May 14) at 9.30 am. Sri Chidrupananda Swamiji will grace the programme.

Deadline extended to May 23

The last date for online submission of application for Rural Postman posts vacant in Post Offices coming under Karnataka Postal Zone, to May 23.

Ph.D awarded

The University of Mysore (UoM) has awarded Ph.D in Jainology and Prakrits to S. Aruna Kumari for her thesis 'Mysuru Jilleya Jainadharma - Ondu Samskrutika Adhyayana' submitted under the guidance of Dr. P. Padmavathi.

Mysore Palace to get facelift

Uniform rates to Indians, foreigners; Illumination timings increased from 5 to 15 minutes, one hour on holidays

Mysuru, May 13 (SBD&NNN)- The entry to Statue of Liberty in New York costs $21, while the entry to the equally if not more famous, the Mysore Palace, used to cost Rs. 200 for foreigners and Rs. 40 for Indians. Since, there were lot of complaints from the foreigners about this discrimination, a uniform entry fee of Rs. 50 has been fixed. (However, the Mysore Zoo had already brought uniformity in rates sometime back).

This and other such decisions were taken at the Mysore Palace Board meeting chaired by State Chief Secretary Subhash Chandra Khuntia, here yesterday, at the Palace Board Executive Officer's premises.

This meeting was held in the light of the Rs. 12 crore proposal sent to the State Government to take up several development works inside the Palace premises.

The entry fee of Rs. 10 for children remains unchanged and for children below five years, it continues to be free. The 'Sound and Light Show' audio-track tracing the history of Wadiyar dynasty and the Vijaynagar kingdom, which was hitherto in Kannada, will also be in Hindi and English to facilitate the tourists from other parts of the country and the foreigners and it will be ready in another two months. A committee will be set up to oversee the beautification of the garden in front of the Palace.

Keeping in mind the increase in tourist flow to the Palace, the decision was taken to increase the illumination timings from five minutes after the 'Sound and light Show' to 15 minutes and on Sundays and general holidays to one hour. In order to mitigate the problems of the tourists during peak season, two more ticket counters will be opened at the North Gate near Kote Anjaneyaswamy Temple.

Khuntia also directed the officials to prepare a detail project report for 3-D projection in the Palace premises.

The other decisions include to convert Palace Board office into a paperless one by implementing e-office technology, to conduct *Ugadi Utsav* in March and April every year, to celebrate International Yoga Day in June, flower show in December and various cultural programmes in the Palace premises.

After yesterday's fire mishap in the Palace where an ATM kiosk and ticket counter was gutted, it was decided to have a fire-fighting unit in place. A reverse osmosis plant with 1,000 litre capacity will be set up, green-toilets like the ones atop the Chamundi Hill under the Corporate Social Responsibility scheme will be constructed, were a few other decisions taken.

Deputy Commissioner and Palace Board Executive Officer D. Randeep, Deputy Director T.S. Subramanya, Additional DC T. Venkatesh, officials from the Department of Archaeology and Museums, PWD and Law Department were present at the meeting.

State Chief Secretary Subhash Chandra Khuntia** (holding file) **being accompanied by ADC T. Venkatesh at the Palace premises yesterday.

DC asks officials to expedite works on Samudaya Bhavans

Mysuru, May 13 (RKB&DM)- Deputy Commissioner D. Randeep has directed concerned officials to expedite works on Samudaya Bhavans being constructed across the district.

Speaking at a progress review meeting at his office here on Friday, Randeep instructed the officials to complete Samudaya Bhavans (community hall) meant for Backward Classes and SC/ST communities.

Taking note of the unavailability of land for construction of sanctioned Bhavans at some places in the district, the DC asked the officials to mark the sites and begin the works immediately.

He also asked the PDOs to identify land in their respective Gram Thanas. The officials presented statistics concerning the sanction of Samudaya Bhavans between 2013 and 2017.

ZP CEO P. Shivashankar, BCM Welfare Department District Officer Somashekar, Dr. B.R. Ambedkar Development Corporation District Manager Bharathi and other officials took part in the meeting.

Minister lays foundation stone for Ambedkar statue in Gangothri

Mysuru, May 13 (US&RKB)- Department of Public Administration, University of Mysore, had organised a function at the auditorium of Humanities block in Manasagangothri here yesterday to mark the release of the book '*Jyothiba Phule mattu Samajika Kranti*' written by Vice-Chancellor (in-charge) Prof. Dayanand Mane and Assistant Professor C.L. Somashekar.

Inaugurating the programme, District in-Charge Minister Dr. H.C. Mahadevappa opined that such books were very relevant and necessary in present time. He advised students to shun groupism based on religion, caste and political affinity and develop a rational thinking.

Speaking on the book, Dr. Priti Srimandarkumar, Director, Kuvempu Institute of Kannada Studies (KIKS), said that the book threw light on the then harassment of the people at lower strata of society which necessitated a social revolution.

Journalist Rajashekar Koti, KPSC Member Chandrakanth Shivakeri, Syndicate Members Nanjundaiah, M.S.S. Kumar, Abdul Salam and others were present. Earlier to that, the Minister laid the foundation stone for the installation of a statue of Dr. B.R. Ambedkar near the University Library.

Siddaganga Seer discharged

Bengaluru, May 13- Centenarian Siddaganga Mutt Seer Dr. Shivakumara Swamiji, who was admitted to BGS Global Hospital here on Friday following illness, was discharged from the Hospital today.

The Seer underwent a surgery for implantation of a metal stent and was discharged today, according to hospital sources.

The Seer was admitted to the Hospital last year too after he complained of illness.

Meanwhile, a host of political leaders including Chief Minister Siddharamaiah, State BJP Chief B.S. Yeddyurappa and JD(S) supremo and former PM H.D. Deve Gowda visited the hospital yesterday and enquired about the Seer's health.

VOICE OF THE READER

RKN's Museum needs to be tourist-friendly

Sir,

At the time R.K. Narayan's Museum was inaugurated in Yadavagiri, I had written about it in *SOM,* giving some suggestions of making it more tourist-friendly. Now it is in the news again for the same reason.

Why is it not attracting visitors?

1. For a long time, the approach road was a mess, but now it is taken care of. **2.** Very little publicity. **3.** No literary activity is conducted in the Museum premises. **4.** Now, being summer vacation time, a reading camp, story-time, puppet show, etc., can be arranged. **5.** All schools, government and private, should make it mandatory to include a visit to this Museum. **6.** A book stall where RKN's books are sold at reasonable rates should be an in-house facility. **7.** The verandah can be used as an open house discussion area, where the interested tourist can clarify queries, doubts, etc., with a volunteer or facilitator.

8. Frequent orientation programmes should be held as even the local people forget that such a Museum exists in their locality, leave alone in their city.

9. One of the airy rooms could be used as a reading room, where children can squat on the floor and read. Even a page a day can spark one's reading interest, thus keeping them away from their mobile or laptop for sometime. **10.** Drinking water facilities and adequate rest-rooms should be provided.

The Museum needs to be brought to life quickly.

—Indira Ganapathy

Yadavagiri 10.5.2017

NOTE: *The Mysore Literary Association headed by Prof. K.C. Belliappa is holding Mysore Literary Festival on June 18 at Senate Bhavan in city. One or two programmes of the event could be shifted to this Museum.* ***—Editor***

Inauguration of Gymnasium today

Mysuru, May 13- The newly constructed gymnasium at the Puttaraja Gawai Stadium (Ward No. 12) in JP Nagar will be inaugurated this evening at 5 pm by Industrialist R. Guru, Journalist Rajashekar Koti and *Mahalakshmi Sweets* proprietor Mahesh.

Former Mayor B.L. Bhyrappa will preside.

New passenger-friendly facilities in KSRTC

Water bottles, newspapers, fast tag introduced

Bengaluru, May 13 (KMS& NNN)- The Karnataka State Road Transport Corporation (KSRTC) moving with the times has decided to give value for money to the passengers by introducing and reintroducing a few people-friendly facilities in its luxury fleet of buses.

There were complaints about withdrawing bottled water given freely to the passengers. As a first step, KSRTC Chairman Gopal Pujari reintroduced this at the Satellite Bus Stand, here on Thursday.

Later, addressing the media after the function, KSRTC MD Umashanker said, "Today three new facilities have been introduced. Distribution of free water bottles had burdened the Corporation; we were forced to stop it. Since there was lot of demand from the passengers we reintroduced it from today. The reason is because the MSIL is supplying the water bottles at a cheaper rate than the private companies."

Another development is that newspapers are being distributed from today. Apart from *Rajahamsa*, it will be distributed in other premium buses between 5 am and 11 am. In all, the newspapers will be available in 104 buses and 4000 passengers will be able to read them. It will also be distributed in a few other buses, he said.

KSRTC is also introducing fast tag by installing electronic chips in all its 8,000 fleet of buses. This will help save time as the drivers can just swipe the cards at the tollbooths, he said.

The Corporation has gained the confidence and appreciation of the passengers for its services. The neighbouring States are not giving us new permits to enter their cities. The fear they have is, if they give us permission, the people there would prefer travelling in our buses. Our service is so efficient, said Umashanker.

There are also plans of introducing free water bottles in ordinary buses. In prominent bus stands across the State water bottle dispensing units will be installed and people can buy it by dropping Re. 1 coin, he said.

You don't flunk life just because you flunk an exam

It's the season of anxiety — PUC and SSLC board exam results are out. The colleges pray for a rank to increase their marketability, the school Principal wishes for high pass percentage to secure his job, the parents hope their 'status' is intact while the student is in a state of panic. And who wouldn't be, the prestige of your family, your College and your Principal's career is on the line.

The competition is such that these days anything in the 90s is no big deal. The cut off for many colleges is 98% and numerous students score above 95. And quite a few score 100% in certain subjects and you hear the grandparents saying "my grand child is a genius."

Incidentally, the latest edition of the *National Geographic* has a cover story titled *Genius: Why some people are smarter than the rest of us.* The reason is not IQ. The report states that *"though intelligence has often been considered the default yardstick of genius, a monumental intelligence on its own is no guarantee of monumental achievement."*

Then what is? According to one of the psychologists citied in the magazine, *"There are differences when it comes to individual talent, but no matter how brilliant a person, fortitude and discipline are critical to success."* The magazine also states that the arc of one's career depends on two factors: Your chosen discipline and how soon you master it.

It's obvious success does not come effortlessly. So the students who have scored high marks have put in the effort. If they say it came easily they are lying, and if you believed it, you obliviously are not featured in any of the college advertisements.

Oh! The Stallions and Donkeys

Now once the results are out, the students go from being biped to quadruped as they are paraded like winning horses. Like in the case of a winning race horse — trainer takes credit like the colleges, the jockey charges extra like the tuition centres and the student like the horse, which endured the strain, pain and sweat, is dazed and confused while the owners, the parents, pose with their winning horse for pictures.

Yes, it is a proud moment. But... who should take credit for the student's success; the parents, the college or the tuition centre? Just look at the advertisements placed by the colleges proudly displaying their distinction students. But then advertisements placed by the tuition centres also have the same students. So who should take credit? We bet even the distinction students would fail to answer this question.

But what about the ones who ran like donkeys? They should have worked harder one would say, which is true. But unfortunately, once you make a mistake of running like a donkey, especially in second PUC our society does not give you a second chance. Herein lies the problem.

A failure in Pre-University seems to embed a harsh sense of finality — the END, in our young minds. That an exam, for which a student appears at a young age of 18 can be so overbearing and powerful that it can bring such a finality, such a sense of unworthiness, that it drives them to suicide and deep depression is very disturbing.

In 2015, 572 people committed suicide in Bangalore alone, out of this, 179 were teenagers. In a 2012 report, student suicides had increased by 26%! Many post-exams. Also studies show that for every student who commits suicide, there are at least 13 who attempt suicide! (Must be a horrible feeling to fail even at that).

Inflation of Qualification

Academic pressures stems from the steady devaluation of the 'degree' which has led to 'academic inflation.' Few decades ago, a High School and a Diploma could get you a good job. Soon too many had them. Then an under-graduate degree made you special. Soon there were too many of those also. Then it was a Master's degree that set you apart. Now that too is no longer special as some have double Master's. And well, Ph.Ds are no more worthy.

In an economy where even a basic degree is becoming passé, our education system too will have to change. It cannot continue to stigmatise talent that is not "employable" for soon creativity, passion and entrepreneurship will become viable, sustainable and profitable. It cannot make a PUC exam the end-all and be-all of life.

Beta Bachao!

But what is fantastic news is that so many girls topped the charts. In Commerce, of the top 10, eight were girls; in Arts, seven were girls and Science, six. Ah! With results like this guess our Prime Minister may not have to work hard to push for *"Beti Bachao"* programme, the *"betis"* are not only saving themselves by excelling in academics but also their families with a prosperous career. Soon... parents would rather have *betis* than *betas.* Who knows, half a century later there may be a *"Beta Bachao"* programme.

For now, high marks are the only way to get into a professional stream, seen as the only path to prosperity in a nation that doesn't particularly nurture entrepreneurship, but until then... at least let the kids know: You don't flunk life just because you flunk an exam.

Knight Riders aim for top position

Kolkata, May 13- Kolkata Knight Riders (KKR) will look to pull out all stops in their bid to rubber-stamp a play-off spot when they take on already-qualified Mumbai Indians (MI) in their last Indian Premier League (IPL) match the before play-offs at the Eden Gardens later in the day.

Gautam Gambhir's men have to be at their best in order to topple an all-round Mumbai team who are at the top of the points table. KKR (second in the points table) have one foot in the knockout stages.

But with Punjab (fifth in the points table with 14 points from 13 matches) making a strong case for themselves now after two back-to-back wins, coupled with Sunrisers Hyderabad (fourth in the table with 15 points from 13 ties) and Rising Pune Supergiant (third with 16 in their kitty from 12 fixtures) also in the fray, they must ensure the berth with a win.

Although the Rohit Sharma-led Mumbai lost to in-form Kings XI Punjab, which also beat KKR in the latter last's game, on Thursday chasing a mammoth total of 231, it was efforts from Lendl Simmons (59), Parthiv Patel (38), Keiron Pollard (50 not out) and Hardik Pandya (30) that got them within seven runs of the stiff target.

KKR, on the other hand, failed to chase down a modest 168 despite Chris Lynn's fireworks with the bat (52-ball 84) against Punjab in their previous outing. None of the batters besides Lynn could get runs with Sunil Narine and Manish Pandey managing 18 which was the second highest score. Yusuf Pathan's form has been a worry for the hosts with the experienced campaigner not being among runs for quite some time now. Mumbai have a different picture to paint in this aspect.

Asian Wrestling Championship 2017

Sakshi Malik wins silver

Mysuru, May 13- There was huge expectation from India's Rio Olympic Games bronze medallist Sakshi Malik in the final of the women's 60kg event of the Asian Championship, but she fumbled on the mat against an Olympic champion Risako Kawai, to settle for silver.

The Indian grappler though reached the final, didn't show aggression to take control of the bout, indicating she wasn't prepared for a tough match. She eventually lost in two minutes 44 seconds by 10-0.

The strong Japanese showed her skills to race to 4-0 lead in the opening 90 seconds. With another good move Japanese ended the Indian dream of winning gold.

Silver for Vinesh, Divya

India's Vinesh Phogat coming back from a long lay-off from an injury, she had sustained at the

Rio Olympic Games, also settled for silver in the 55kg. She lost to Sae Nanjo of Japan 4-6. In the last bout of the day, India's Divya Kakran also lost to Japanese Sara Dosha 8-0 to win India's third silver of the day.

Earlier, India's Ritu Phogat won the bronze in the women's 48kg category without breaking into sweat as her Chinese opponent Yanan Sun gave a walk over. Ritu wasn't happy as she wanted to fight and win.

Karnataka State Open FIDE Rating Chess Tournament

Three players share lead

Bengaluru, May 13- Three players, D. Yashas (Shivamogga), M.G. Gahan (Mangaluru) and N. Sanjay (Bengaluru) shared the lead with 5.5 points from six rounds in the Karnataka State Open FIDE Rating Chess Tournament being played at Bengaluru from May 10-14.

Mysuru lad Chaitanya Ganesh secured 4 points from six rounds and is placed 38th while A. Ananya has secured 4 points and is placed 39th in the rankings.

MDFA 'A' Division League 2016-17 Champions

Ashoka FC which won the Achutharao memorial Trophy MDFA 'A' Division League 2016-17 is seen posing with the winners' trophy. Also seen is former MUDA Chairman K.R. Mohan Kumar. Picture right shows Gandhinagar FC which emerged as the runner-up.

Beneficiaries take part in Jana-Mana programme

District in-Charge Minister Dr. H.C. Mahadevappa is seen interacting with one of the students during the Jana-Mana programme held at Kalamandira in city this morning as Legislators Vasu, M.K. Somashekar and Dharmasena and others officials look on.

Mysuru, May 13 (PM&VNS) - Around 1,000 beneficiaries of various welfare schemes announced by the State Government took part in the 'Jana Mana' programme organised by District Administration at Kalamandira this morning.

Inaugurating the programme, District in-Charge Minister Dr. H.C. Mahadevappa said that 'Jana-Mana' was a unique event which was a test for an elected government.

"The Siddharamaiah-led government, which came to power with 165 promises in its manifesto prior to 2013 Assembly Polls, as almost fulfilled the promises", he said.

Taking a dig at the previous government, the Minister said that Siddaramaiah had given a stable government for the past four years compared to the previous State Government which had three different Chief Ministers during its rule. "Our government has been working for the welfare of the people irrespective of their caste and community. We have successfully completed four years and will work to retain the confidence of the people for the next one year", said Mahadevappa.

Later, the District Administration conducted an interaction programme with the Minister during which a few of the beneficiaries expressed their opinion about various welfare schemes.

People of Varuna constituency, which is represented by CM Siddharamaiah, demanded the Minister to provide them with kerosene. They said that the supply of kerosene had been stopped as they had LPG connections.

In his reply, Mahadevappa said that they had no objection to provide them kerosene provided their panchayat gave the green signal. There were also complaints about the quality of salt provided to people under the Anna Bhagya. One of beneficiaries, Rathnamma said that the salt supplied to them had foul smell.

Sahana and Ganesh, who availed the benefits of *Vidyasiri* scheme, thanked the State Government for introducing this scheme which helped them complete II PUC. Chandini, a transgender, urged that Government to increase the monthly pension of Rs. 500 under the Mythri scheme.

Students, who thanked the State Government for introducing 'Ksheera Bhagya', requested the authorities to introduce chocolate flavoured milk.

Mayor M.J. Ravikumar, Legislators M.K. Somashekar, Vasu and R. Dharmasena, Zoo Authority of Karnataka Chairman Mallige Veeresh, MyLac Chairman H.A. Venkatesh, CACA (Cauvery) Chairman Nanjappa and other officials were present.

Chief Minister completes four years in office today

Bengaluru, May 13- Today, Siddharamaiah will complete four years as Chief Minister of Karnataka and having completed four years and basking in the victory of his party in the two recent by-polls to Nanjangud and Gundlupet, the CM appeared in no mood to entertain the charge-sheet released by the Bharatiya Janata Party against his Government.

Speaking to reporters here yesterday, he called it baseless and politically motivated. "Who can file a charge-sheet against us? These are a list of baseless allegations. Several BJP leaders, including its State President, B.S. Yeddyurappa, are themselves facing charges in various Courts. But none of the Congress leaders are in such a predicament," he noted.

While he asserted in response to a question that the Congress would return to power in the 2018 elections, Siddharamaiah was unwilling to commit on whether he would be Chief Minister again, saying it was up to the party High Command to decide. When reminded of his earlier statement that he would be the next Chief Minister, he claimed he had said this in a different context.

"Someone said that I should continue as Chief Minister and I replied that I would. But it is the Legislature party that elects the Chief Minister and this has to be endorsed by the party High Command," he added.

Visibly irritated when his attention was drawn to a survey that called Karnataka the most corrupt State in the country, he shot back, "How can the views of 6,000 people in a State with a six crore population become the voice of everyone," he questioned.

SSLC results: Pass percentage dips to a 7-year low

YEAR-WISE PASS PERCENTAGE

2008	2009	2010	2011	2012	2013	2014	2015	2016
66.37	70.22	66.81	73.9	76.13	77.47	81.2	81.22	67.87

Poomananda who scored 625/625

Bengaluru, May 13 - Academic results took a downward turn this year in Karnataka as the number of students in Karnataka clearing both the II PUC and Secondary School Leaving Certificate (SSLC) or Class 10 examinations came down when compared to last year.

Of the 8,56,286 candidates who appeared for the SSLC exams, 5,81,134 passed, recording a pass percentage of 67.87. The results were declared yesterday by Primary and Secondary Education Minister Tanveer Sait.

With 625 marks, Sumanth Hegde from MES Kishore Kendra School, Bengaluru, H. Poornananda from St. Joachim's High School, Puttur and Pallavi Shirahatti from SRA Composite Junior College, Bagalkot, scored 100%. Six students scored just one mark less.

Girls continued to outperform boys with 74.08% passing as opposed to 62.42% among boys. However, the pass percentages in both categories were significantly lower than those of last year, when girls recorded a pass percentage of 80.59 and boys 70.21. Students who appeared for exams in English medium had the highest pass percentage with 78.46% passing the exam, and those in Tamil medium came in at the bottom with 48.96%.

Primary and Secondary Education Minister Tanveer Sait and KSEEB Director Yashoda Bopanna (extreme right) seen during the press conference on SSLC results in Bengaluru yesterday.

Except for students appearing for the Telugu and Tamil medium, pass percentages of all other language mediums were down by about 10% over the previous year, with Hindi medium seeing the biggest dip of 20%.

Among the districts, Udupi had the highest pass percentage of 84.23. However, this is lower than the 89.72% success it enjoyed in 2016, when it came second for the State. Udupi was closely followed by Dakshina Kannada with 82.39. At the other end, Bidar came in at last with a pass percentage of 62.2 and Bagalkot finished just above with 64.53.

Bengaluru Rural, which topped the list in 2016 with 89.85%, has slipped to the 10th place with 77.03%. Kodagu district secured the 9th place, Mysuru stood at 21st place and Mandya secured 23rd place.

Vachan from Hassan 2nd in State

Vachan, a student of Hassan's United School, has scored 624 out of 625 in SSLC and has secured a percentage of 94.84. He has stood first for Hassan district and second in the State.

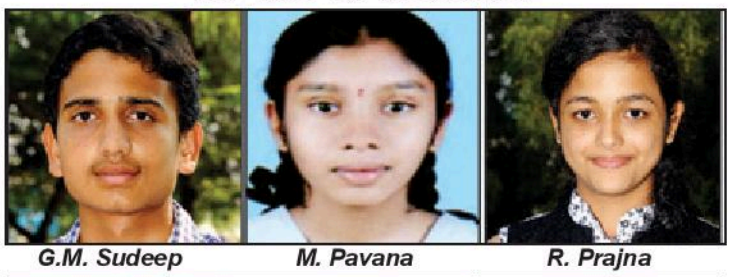
SUPPLEMENTARY EXAMINATIONS

The supplementary examinations will be held from June 15 to 22.

May 22 will be the last day to submit applications for photocopies of answer scripts and for revaluation.

Rs. 150 per subject will be charged for re-totalling and students have to pay Rs. 300 per subject for photocopies and Rs. 700 per subject for re-valuation.

District SSLC topper aspires to be a doctor



G.M. Sudeep | M. Pavana | R. Prajna

K. Sneha | R. Aditi | Ajith Kumar

Inchara | L. Ritesh | H.S. Darshan

Mysuru, May 13 (SBD&BCT)- G.M. Sudeep from Marimallappa High School in city has emerged as the topper in Mysuru district by securing 623 out of 625 in the SSLC results that were declared yesterday.

Along with Sudeep, M. Pavana and R. Prajna of Bharatiya Vidya Bhavan School and K. Sneha of CKC Convent have scored 622, L. Ritesh of Marimallappa High School, B.S. Inchara and R. Aditi of Sadvidya High School scored 621 and G. Ajith Kumar and Varun Kumar of Sadvidya have scored 620.

Sudeep secured 100 each in Mathematics, Science, Social Science and Hindi, he lost one mark each in Kannada (124) and English (99). Speaking to *Star of Mysore*, Sudeep said he used to study for three hours a day and was expecting good results. Sudeep hails from Gundlupet in Chamarajanagar and is residing in Jayanagar in Mysuru.

He is the son of G.B. Mahesh, an economics lecturer at the Hamuchavadi Government PU College in Chamarajanagar and Mahadevamma, a private school teacher. "As my parents are teachers, there was a good atmosphere at home to pursue studies with adequate guidance. He also attributed his achievement to the competitive atmosphere at his school.

"I joined Marimallappa in ninth standard and the advantage there was that I faced stiff competition that motivated me to study. A series of preparatory examinations coupled with guidance from my teachers helped me," he said.

Sudeep said that on an average, he never studied for more than three hours a day. "I played cricket, and watched television in my free time. I was not afraid as there was no pressure on me. I prepared for the exam at ease. My school, teachers and parents motivated and guided me well," he said and added that he wants to become a doctor.

Farmer's daughter excels

Sadvidya's Inchara scored 621 marks with 100 each in Mathematics and Science. She is the daughter of Shivalingegowda, a farmer from Bannur. Though she had to commute daily between Bannur and Mysuru for school and her father had to deal with serious health problems and financial crisis, she did not compromise in studies and scored well. Inchara wants to become a doctor.

Dancer scores well

Dancer L. Ritesh, who scored 621, is a student of Marimallappa High School. He has won medals at many national-level dance competitions. His father is Lakshman Naika, a supervisor at Manasagangothri. His mother is Shobha. Ritesh managed to study hard despite being busy in dance rehearsals. He wants to pursue science in PU and later join Indian Institute of Technology. Ritesh is good at free style and hip-hop dance forms.

Kannada medium no hurdle

H.S. Darshan, a student of Sadvidya High School (Kannada medium), has created history in the school by scoring 600 marks. He wrote the exams in Kannada. Darshan said that he never hesitated to tell that his medium of learning was Kannada. He is the son of Suresh, a construction worker. He said that his father could not afford to get him admitted to an English medium school.

"I am proud that I have scored well in Kannada medium. My mother is a garment worker and I want to be an engineer so that I can take care of my parents," he added.

Did shortage of teachers lead to poor SSLC results?

Mysuru, May 13- In an embarrassing situation for Primary and Secondary Education Minister Tanveer Sait and also Chief Minister Siddharamaiah, their home district of Mysuru has slipped from the top positions in both Second PU and SSLC results. Mysuru's overall position in the State has slipped from 8th to 21st place in the SSLC results and it slipped to the 14th from 11th place in PUC results.

This time, the overall pass percentage in SSLC is 72.03. In 2016, the district was in the eighth place with 85.85%. Out of 39,323 students only 27,314 students have passed. A total of 25 schools have secured 100% results. Mysuru rural registered a pass percentage of 56.03, Mysuru urban has secured 43.97%.

MYSURU'S PERFORMANCE IN KARNATAKA	
YEAR	POSITION
2014	23
2015	10
2016	8
2017	21

Deputy Director of Public Instruction (DDPI) H.R. Basappa told reporters that SSLC results were disappointing despite the best efforts of the department. He said the pass percentage dropped below expectations. He said the overall pass percentage of the district was 72%.

Basappa said that shortage of teaching staff resulted in poor performance. There is a requirement of 336 guest faculty in Mysuru and only 98 are working from November 2016. "We had taken many steps including remedial teaching, special classes for average students, group discussions to boost the morale of students, preparatory examinations and question banks. Despite this, the pass percentage plummeted," he said.

The department plans to convene a meeting of heads of the schools and teachers to discuss the reasons for the district's poor performance and find solutions to the same besides revisiting the methodology adopted for improving the performance next year.

It may be recalled here that the Zilla Panchayat and the Education department had devised a 25-point programme *'Mysuru Guri Nooru'*, to prepare the students for the examinations.

Special Police team in Mysuru

The ATM van that was found abandoned near Hunsur.

(Continued from page 1)

Following the incident, Mangaluru City Police Commissioner Chandrashekhar formed two teams comprising 16 members. While one team is headed by Mangaluru South Sub-Division Assistant Commissioner of Police Shruthi, the other team is headed by Kankanadi Inspector Kantharaju.

Speaking to *Star of Mysore*, ACP Shruthi said that her team was on the lookout for the accused in Bengaluru while Inspector Kantharaju's team was scouting for the accused in Mysuru, Hunsur and Periyapatna.

"The accused are not using their mobile phones and we are scanning CCTV footages along the route from Mangaluru to Mysuru. It looks like the accused had taken the Madikeri route in a well-planned robbery. We are also looking at the involvement of Bheemaiah, an office assistant in the firm's Bengaluru office, who is a relative of Poovanna and Basappa," she said.

While it is mandatory for an armed police escort to be present during such transfers, the police were not even informed. Flouting several rules of the RBI, there was nobody monitoring the movement of the vehicle as it had no GPS, she added.

ATM Fire Mishap

Only 6 currency notes of Rs. 100 were burnt

Mysuru, May 13 (RK&DM)- The State Bank of India lost only Rs. 600 in yesterday morning fire mishap. The earlier reports had said that Rs. 5 lakh cash loaded on Thursday evening, in the bank's ATM Kiosk attached to the Mysore City Corporation branch, located at Varaha gate of the Palace, was gutted.

But during the Mahazar conducted by the Devaraja Police on Friday afternoon Rs. 4,56,000 lakh cash was found intact at the ATM, while the rest Rs. 44,000 was drawn by the customers from Thursday evening.

It was found that only 6 currency notes of Rs. 100 denomination was gutted in the fire, according to Devaraja Police Inspector S. Nagesh who also said that he was awaiting a report from the Fire and Emergency Services Department detailing the exact cause of fire.

'Microbiology is one of the fastest moving disciplines in Life Sciences'

Natl. symposium on 'Trends in Microbiology'

Mysuru, May 13 (SP&DM)- A day-long National Symposium on 'Trends in Microbiology' was organised by the Department of Studies in Microbiology, University of Mysore (UoM), at Rani Bahadur auditorium on Hunsur Road here yesterday. The event was sponsored by University with Potential for Excellence, UoM.

Prof. S.R. Niranjana, Vice-Chancellor, Gulbarga University, Kalaburagi, is seen lighting the lamp to inaugurate the National Symposium on 'Trends in Microbiology' at Rani Bahadur auditorium on Hunsur Road here yesterday as others look on.

Speaking after inaugurating the symposium, Prof. S.R. Niranjana, Vice-Chancellor, Gulbarga University, Kalaburagi, said that Microbiology is at present one of the fastest moving disciplines in Life Sciences.

Pointing out that it was high time to introspect the future career of students, with our Universities producing hundreds of Graduates and Post-Graduates every year, Prof. Niranjana said that it was important to ensure that the benefits of research done in the Universities reaches even the last person.

Regretting the migration of top-ranking students to foreign countries, he said that the Government should make all efforts to retain the best and most talented minds. Highlighting the need for most appropriate use of Research Funds, he said that the results of the research must be used for addressing the problems that the world is facing today.

Noting that recent international developments are a major factor in renewed interest in Microbiology among students and researchers, Prof. Niranjana said that the symposium provides a multi-disciplinary forum for the discussion of all aspects of microbiology.

Prof. P.N. Rangarajan of the Department of Bio-Chemistry, Indian Institute of Science, Bengaluru, delivered the keynote address.

Vignyan Bhavan (UoM) Chief Co-ordinator Dr. G. Hemantha Kumar, Department Chairperson Dr. Shubha Gopal, Conveners Prof. V. Ravishankar Rai and Dr. N. Lakshmi Devi, Secretary Dr. S. Satish and Dr. M.Y. Sreenivasa and others were present.

Science lecture on 'Natural Farming' this evening

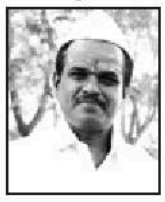
Mysuru, May 13- As part of its monthly Science Lecturer Series, Mysore Science Foundation (MSF) has organised its 50th lecture on 'Natural Farming' at Maneyangala in Kalamandira premises here today (May 13) at 5.30 pm.

Narayana Reddy, Natural Farmer, Doddaballapura, will be the resource person.

Interested students, teachers and general public may take part.

For details, contact G.B. Santhosh Kumar, Secretary, MSF, on Mob: 81055-03863 or C. Krishnegowda on Mob: 98444-05284, according to a press release.

Rowdy-sheeter Bomb Naga, sons remanded to Police custody



Bengaluru, May 13- The 11th ACMM Magistrate Court at Mayor Hall here on Friday evening, remanded rowdy-sheeter Nagaraj alias Bomb Naga and his two sons Gandhi and Shastri to 10-day Police custody.

Nagaraj and his sons were arrested from Arcot in Tamil Nadu by a Bengaluru Police team on Thursday. Nagaraj and his sons went absconding after the Bengaluru Police raided his house on April 14, following complaints on his involvement in currency conversion racket.

Naga and his sons Gandhi and Shastri, who had eluded the Police for 27 days since April 14, were finally nabbed at Arcot in Tamil Nadu on Thursday.

The Bengaluru Police produced the three before the 11th ACMM Court, which remanded them to 10-day Police custody, although the Police had sought a 15-day custody.

Newly-wed man killed in road accident

Mysuru, May 13 (SPN&DM)- In a tragic incident, a newly-wed man was killed on the spot when the two-wheeler he was riding was knocked down by a 10-wheeler lorry in N.R. Traffic Police Station limits on Friday. The deceased has been identified as Salman (23), a resident of Metagalli.

Salman was returning home on his scooter (KA-09 EY-3453) after visiting his wife at Ramabai Nagar yesterday afternoon, when he stopped at Colombia Asia Hospital junction traffic signal.

But soon as he started his scooter after the signal flashed green light, the lorry that was next to him, knocked down his scooter and ran over him, killing him on the spot.

Salman is said to have got married just 20 days ago.

N.R. Traffic Police have registered a case in this regard.

3 killed in separate incidents

Mysuru, May 13- Three person died in separate incidents in city this morning and yesterday.

In the first incident, G.M. Mahadevappa (60), an employee of Amma Construction at Dattagalli and a resident of Someshwarapura, Mysuru Taluk, died on the spot after the motorbike he was travelling was hit by a tractor (KA-09 T-4636) at around 7.30 pm yesterday while he was returning from a construction site at Kadakola.

Mysuru South Police have registered a case and are investigating. Mahadevappa's body was shifted to MMC&RI mortuary for post-mortem.

In the second incident, Puttaswamy (78), a resident of Kavalande village in Nanjangud, who was being treated at the K.R. Hospital for head injuries after being hit by an Yamaha motorcycle (KA-09 HG-5415) on Apr. 27, died this morning at 7.30 am. Nanjangud Traffic Police have registered a case and are investigating.

In the third case, Girish (28), a resident of Mangala village in Mandya taluk, who was being treated for burn injuries at the K.R. Hospital burns ward, died this morning. The Police said that Girish had self-immolated using petrol and was admitted to K.R. Hospital. Mandya Rural Police have registered a case and are investigating.

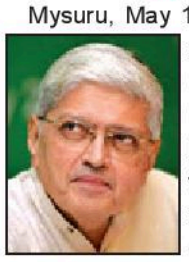
Retired Fire official's death condoled

Mysuru, May 13- JSS Mahavidyapeetha has condoled the death of retired Fire Officer **G. Siddalingappa**, who passed away recently.

Siddalingappa, an alumnus of JSS Educational Institutions, was also an artist who had acted in many plays performed by JSS Kalamantapa.

Race for Prez post

My name is speculative: Gopalkrishna Gandhi



Mysuru, May 13 (NNN)- The race for the President of India's post is hotting up as the term of Pranab Mukherjee ends on July 25, 2017. One of the names doing the rounds is that of **Gopalkrishna Gandhi** *(in pic)*, grandson of Mahatma Gandhi.

Star of Mysore had sent him a SMS message asking him whether it was true that Opposition parties to field him as their Presidential candidate had approached him. In reply, Gopalkrishna Gandhi said, "It is mostly speculative as of now."

Gandhi, who has donned many hats, as an administrator, diplomat, former Governor of West Bengal, was conferred the Bharat Ratna Dr S. Radhakrishnan Award for Social Sciences by the University of Mysore (UoM) during the valedictory of the Centenary Celebrations of the University, last year.

MUDA meeting on May 20

Mysuru, May 13 (RK)- The Mysuru Urban Development Authority (MUDA) general meeting will take place at MUDA Hall at 11 am on May 20 (Saturday).

The meeting will be presided by MUDA Chairman D. Dhruvakumar.

The meeting is likely to discuss 2017-18 MUDA Budget proposals, proposed Group Housing Schemes, release of provisional list of R.T. Nagar site allottes and other issues.
